## ABOUT THE HAMMOND PANTRIES

TRINITY FOOD PANTRY

These Little Pantries were created because of a need in the Hammond community. The Hammond Library also has a free Little pantry located inside and outside the Library.

There are food shelves in both neighboring towns but not necessarily accessible to all people at a given time. These accessible free pantries' will help people who might not be able to get to a normal food pantry.

Having these little free pantries give hope to people who might need help and also encourage people to make a difference in their community one or two items at a time.

*"The Little Free Pantry is a grass-roots, crowd-sourced solution to immediate and local need. Whether a need for food or a need to give, the Little Free Pantry facilitates neighbors helping neighbors, building community." From littlefreepantry.org*
