Dear Trinity Friends,

This last month has flown by! You sure have made it hard to think about saying good-bye. I appreciate the well wishes and sentiments of a job well done. I've sure had fun getting to know you all. I have loved leading you in worship and having the opportunity to get a little creative with it at times. I hope you have been challenged in your faith life, grown a little or a lot and always know how much you are loved by God.

Many memories will be held in my heart and head as I reflect on my ministry with you. I started at an unprecedented time in recent history coming on board in a pandemic. I got to know you with masks on our faces standing 6 feet apart. We both increased our knowledge and skill of technology as we transitioned to online worship. The first confirmation class to affirm their baptism had commemorative masks. You received communion sitting in your cars. Our first Christmas together was over video. As we slowly moved to doing more things in person we started having some real fun!

We put a float in the parade, and had horses giving rides in our parking lot. We got kids to camp and on a mission trip. We supported the bottom line at Caribou coffee and had many laughs and attempts at solving the world's problems. I baptized your baby and kids and buried the dead. We celebrated 50 years during my time. I hope you work hard for many more years here in this community. It is a privilege, an honor and blessing to share all these moments with you. You helped me to grow and stretch as a pastor. Thank you for letting me serve you and with you.

Thank you for caring for our family. We will have fond memories of our time with you. We will continue to lift you up in prayer as you continue your faith journey together as a congregation. Remember the theme of the 50th "Onward and Forever More"...you have big work ahead of you but you have an even bigger God so you have lots of power behind and within you to do this work!

Love in Christ,
Pastor Kim, Roger, Elijah and Emily Suhr
