Congregational Informational Meeting

The Trinity Council met on Monday, June 2nd and would like to hold an informational meeting to update the congregation and have conversation concerning the following topics - 1) the state of the budget and property matters; 2) sharing ministry with neighbor congregations; 3) basement use as it is ready for rent; 4) participating as a congregation in Heartland Days, i.e. making a float for the parade. There will be two meetings with the same presentation, **Monday, June 16th at 6:30 p.m. or Sunday, June 29th after worship.** The council requests that you make time to attend one of these meetings. Please pray about these things and how you can participate in the unique ministry of Trinity.

The church basement is ready to be rented. Feel free to spread the word that we have space available. The cost to rent the space has not been decided exactly, as we need to factor in the need for maintenance and rent collection as these were things we did not have to worry about with the school in the past. After the school left, they replaced the small toilets with regular ones, repainted, and made any necessary repairs, so it is ready for immediate use. If anybody would like to look around, arrangements can be made.

Technical Issues Resolved

There have been some issues with the continuity of the livestream and with a buzzing noise in the sanctuary and the livestream. The control panel was replaced and installed. The lectern microphone is on order and needs to be replaced. Thank you for your patience.

The Festival of Holy Trinity - Drawn into Relationship, Guided into Truth

Holy Trinity Sunday is June 15th this year. The doctrine of the Trinity invites us to consider how a God constituted by relationship—the Father with the Son, the Son with the Spirit, the Spirit with the Father—draws us into that relationship with God and one another. Gradually or suddenly, through the work of the Spirit, we come to know our belonging to the Father and to Christ's body.

In such loving relationships, truth is discovered. But people cannot bear the truth all at once, so discipleship and faith formation are gradual processes of listening for the Spirit's voice. Christian practices such as worship, learning, and service are occasions for people of all ages to be "guided into truth." Such practices are rooted in baptism, in which God draws us into a lifelong relationship in which we grow into truth and love over time—guided by the Spirit, accompanied by Jesus, and having peace with the Father.

In Romans 5:1-5, we hear the truth of how love originates and grows in us: Poured into our hearts by the Holy Spirit, God's love gives us a hope that will never disappoint. Christian community offers the delightful opportunity to experience one's own growth in hope, faith, and love, and to witness others' growth as they too are drawn more deeply into relationship with the triune God. Trinity Sunday offers the delightful opportunity to celebrate that growth.

Mental Health Fundraiser Report

From the planning committee: We are so grateful, fortunate, and blessed to be part of this caring, supportive congregation that reaches out and serves others. Our annual fundraiser for mental health programs in the local schools would not be as successful without you! Look what we've done: This year over \$3700 was raised. Since 2016 about \$35,000 has been raised! We do make a difference. Thanks to all who donated, attended, planned, and to the Barnboard staff.
